For security reasons, to use the ETC WiFi you need to install a certificate on your device. This only needs to happen once per device you use.

How to install the certificate:

Step 1:

Go to your WiFi settings and connect to the **ETC WiFi**.

You should automatically see the screen on the right, if not please disconnect and reconnect to **ETC WiFi**

Please read the terms of use before proceeding, if you agree to the terms tick the **“I accept the terms of use”** box.

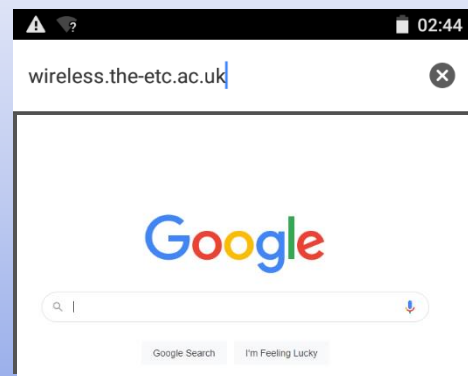

Then sign in with your college account name/number and password.

If you are a Visitor and have been issued a voucher, enter the code in the voucher box.

Step 2:

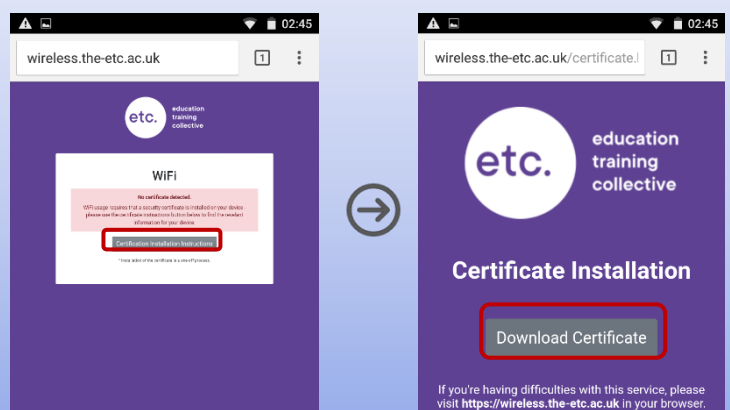

To install the certificate, please open a browser and go to the website below and then follow the instructions for your device.

wireless.the-etc.ac.uk

Step 3:

Click on **“Certification Installation”** instructions and then click on **“Download Certificate”**.

Step 4:

Enter **ETC WiFi** in the **Certificate name:** box.

Check if it says **VPN and apps** under **Credential use:**.

Then click on **OK** to install the certificate.
