# ChromeOS

For security reasons, to use the ETC WiFi you need to install a certificate on your device. This only needs to happen once per device you use.

# How to install the certificate:

#### Step 1:

Go to your WiFi settings and connect to the ETC WiFi.

You should automatically see the screen on the right, if not please disconnect and reconnect to **ETC WiFi** 

Please read the <u>terms of use</u> before proceeding, if you agree to the terms tick the "I accept the terms of use" box.

Then sign in with your college account name/number and password.

If you are a Visitor and have been issued a voucher, enter the code in the voucher box.

#### Step 2:

To install the certificate, open a web browser and go to the website below and then follow the instructions for your device.

wireless.the-etc.ac.uk

#### Step 3:

Click on "Certification Installation" instructions and then click on "Download Certificate".

# Step 4:

Click on : in the top right of the Chrome browser and go to **Settings**.

# Step 5:

Search for **Certificate** in the settings search bar and click on **Security**.

Then scroll down and click on Manage Certificates.
