iOS & iPadOS

For security reasons, to use the ETC WiFi you need to install a certificate on your device. This only needs to happen once per device you use.

How to install the certificate:

Step 1:

Go to your WiFi settings and connect to the ETC WiFi.

You should automatically see the screen on the right, if not please disconnect and reconnect to **ETC WiFi**

Please read the <u>terms of use</u> before proceeding, if you agree to the terms tick the "I accept the terms of use" box.

Then sign in with your college account name/number and password.

If you are a Visitor and have been issued a voucher, enter the code in the voucher box.

Step 2:

To install the certificate, open a web browser and go to the website below and then follow the instructions for your device.

wireless.the-etc.ac.uk

Step 3:

Click on Certification Installation" instructions and then click on "Download Certificate"

Step 4:

Go to your devices **Settings** and then click on **Profile Downloaded**.
